Note—Above quotations are taken from the Introducers' price lists. If they change their prices we will meet same. No attention paid to "Get rich quick," "closing out surplus stock," "digging prices," and the like from persons and firms who are anxious for money.

In addition to the above list we carry most of the standard varieties in a strictly retail way, no wholesale.

GRATIS — If you give us an order be sure to name a number of sorts that you would like gratis and in many cases no doubt the gratis sent will equal or more than equal the size of the order.
